Fellowship Closing

## UNLOCKING THE POTENTIAL: EXPLORING URBAN ACUPUNCTURE IN EGYPT'S URBAN DEVELOPMENT

Within the framework of the DAAD Ta'ziz Partnership - Scientific Cooperations 2023-2025, we are delighted to invite you to a special closing public event. This event marks the culmination of the fellowship program that took place at Faculty of Fine Arts, Alexandria University in Egypt, throughout November and December 2023 targeting **Al-Mahmoudeya Axis** as a case study. Additionally, we will present a recap of the activities conducted as part of the Ta'ziz partnership in 2023.

We extend this open invitation to Academics, Experts, Civil society (e.g. NGOs, associations, foundations), and public invitees including private companies to join us and contribute to a shared platform of discussion.
